The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**JOB ORDER CONTRACTS
FOR MAINTENANCE, REPAIR, AND REFURBISHMENT
OF COUNTY INFRASTRUCTURE AND FACILITIES
ADOPT AND ADVERTISE VARIOUS SPECIFICATIONS, AWARD CONTRACTS
(ALL DISTRICTS - 3 VOTES)**

SUBJECT

This action is to adopt the Job Order Contract (JOC) Construction Task Catalog and Specifications; approve for advertisement bids to be received; award agreements to the Lowest Responsive and Responsible Bidders for 10 separate JOC agreements.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the adoption of the JOC Construction Task Catalog and Specifications, advertisement for bids and award of JOCs are exempt from the California Environmental Quality Act, for the reasons stated in this letter and in the record of the action.
2. Adopt the January 2016 JOC Construction Task Catalog and Specifications.
3. Instruct the Executive Officer of the Board to advertise for bids to be received for ten separate JOCs in accordance with the Instruction Sheet for Publishing Legal Advertisements (Attachment I).

4. Authorize the Director of Internal Services Department (ISD) or his designee to award and execute six general and four specialty (two electrical and two mechanical) JOC agreements in the form previously approved by County Counsel, and to establish the effective date following receipt of approved Faithful Performance and Payment for Labor and Materials Bonds, and insurance certificate filed by the contractors, and contract execution. JOC129, JOC130, JOC131, JOC132, JOC133, JOC134, EJOC39, EJOC40, MJOC36, and MJOC37 are each for a maximum amount of \$4.5 million. The aggregate maximum amount for the ten agreements is \$45 million.
5. Authorize the Director of ISD or his designee, to reject all nonresponsive bids and determine, in accordance with the applicable contract and bid documents, the lowest responsive and responsible bidders.
6. Authorize the Director of ISD or his designee, to issue work orders for maintenance of County facilities subject to the maximum amount of each Job Order Contract; and for repair, remodeling and refurbishment of County facilities in an amount not to exceed \$75,000 pursuant to authority granted under Public Contract Code Section 20145.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will find that adoption of the JOC Construction Task Catalog and Specifications, advertisement for bids and award of JOCs are exempt from the California Environmental Quality Act (CEQA) and augment ISD's ability to effectively and efficiently maintain and repair (including emergency repairs) County infrastructure and facilities.

JOCs are a flexible, cost-effective unit price contracting method to accomplish maintenance, repair, and refurbishment of County infrastructure and facilities without extensive plans and specifications. JOCs are annual contracts that may be awarded for repair, remodeling, refurbishment, or other repetitive work, but not for new construction. This process reduces administrative requirements and lowers direct construction costs while meeting all federal, State, and County procurement requirements.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goal No. 1 for Operational Effectiveness by providing timely facilities services, effectively managing County resources and investing in public infrastructure.

FISCAL IMPACT/FINANCING

Maintenance, repair, and refurbishment work will be funded through the appropriate maintenance, capital, refurbishment, or infrastructure project budgets. ISD's Fiscal Year (FY) 2015-16 Adopted Budget includes \$45 million for these JOC agreement expenditures. ISD will only incur JOC expenditures to the extent that they are offset through County department and Contract Cities billings and within available appropriation. Because the agreements cross fiscal years, funding for these costs will be requested in future fiscal year budget requests. For capital projects, no work will be assigned to these JOCs without authorization from the Chief Executive Office. There are no minimum obligations on these contracts.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Board approval of the recommended actions is required by Public Contract Code Sections 20124 and 20125.

Public Contract Code Section 20128.5 allows individual JOC to have a one-year term and a maximum value of \$4.5 million per JOC. A 1997 amendment to the Public Contract Code allows annualized increases in the maximum contract value, based on the California Consumer Price Index.

The terms and conditions of the recommended contracts will be approved as to form by County Counsel prior to execution and will contain the Board's required contract provisions including those pertaining to consideration of qualified County employees targeted for layoffs as well as qualified GAIN/GROW participants for employment openings, compliance with the Jury Service Ordinance, Safely Surrendered Baby Law, the Child Support program, Defaulted Tax Program Ordinance, Local Worker Program, and Disabled Veteran Business Enterprise Preference Program. The JOC Agreements are not Proposition "A" contracts and therefore are not subject to the County's Living Wage Program.

Data regarding the proposers' minority participation will be on file with ISD. The contractors will be selected upon final analysis and consideration without regard to race, creed, gender, or color.

The General Conditions and January 2016 Construction Task Catalog and Specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with ISD.

ENVIRONMENTAL DOCUMENTATION

The recommended actions, to adopt the Job Order Contract Construction Task Catalog and Specifications, advertise for bids and award of JOCs, are categorically exempt from CEQA. JOC projects include repair, maintenance and refurbishment of existing structures and facilities as requested by County departments, which are generally categorically exempt under Section 15301, Class 1, of the State CEQA Guidelines. The proposed work involves either negligible or no expansion of existing use, and any replacement structures will have substantially the same purpose and capacity as structures replaced. ISD will file all required Notices of Exemption for each categorically exempt project as required by CEQA. For any work that is not determined to be exempt from CEQA following further assessment, ISD will return to the Board to recommend approval of the appropriate environmental documentation pursuant to CEQA prior to implementation of applicable work orders under the JOCs.

CONTRACTING PROCESS

The Executive Officer of the Board will advertise the JOC invitation for bids in various publications throughout the County of Los Angeles. Additionally, ISD will advertise the invitation for bids on the Green Sheet publication and post the bids on the County's "Doing Business with Us" web site.

The recommended JOCs will be solicited on an open-competitive basis and in accordance with applicable federal, State, and County requirements. The County will award contracts to the lowest responsive and responsible bidder pursuant to the State Public Contract Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The use of these contracts will expedite the completion of maintenance, repair, and refurbishment of County infrastructure and facilities work managed by ISD. Minor impacts to tenant departments may occur while maintenance, repair, and refurbishment of County infrastructure and facilities work is underway.

There is no employee impact. JOCs are intended to augment, but not replace the County workforce, and to ensure our ability to respond to emergent requirements.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors return one stamped copy of the approved Board letter to the Director, ISD.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "D. Chittell", is written over a faint, rectangular blue stamp.
